COMMENTS:

It has been determined that you **may** meet the criteria to participate in the Arizona Commodity Senior Food Program (CSFP). However, at this time, caseload slots or funding are not available to provide services to all the applicants who may qualify. You are being placed on a waiting list and will be notified when it is possible for you to reapply for program benefits.

Since Federal regulations limit the number of individuals served by CSFP to the annual assigned caseload and does not provide for over serving this caseload, an applicant's placement on a waiting list due to lack of available caseload is not considered a denial of service and therefore is not subject to appeal.
